YUPOBLUE®YPI

Fulfilling the market's demand for creative and durable substrates, YUPO Blue®: YPI is the ideal solution for commercial HP Indigo printing. With its increased resistance to scratching and improved ink-adhesion, the new YPI creates innovative possibilities for even the most challenging applications. YPI is designed and certified for HP Indigo presses, ensuring compatibility and smooth print runs.

YPI AT A GLANCE

- Certified for HP Indigo presses Series 2, 3 & 4
- 100% Waterproof
- Dimensionally stable
- Bright white
- Tear-resistant
- No top coating required prior to printing
- Recyclable

IMPROVED INK-ADHESION

Withstanding water and friction, YPI ensures a long lasting print image.

RECOMMENDATIONS

For particularly demanding applications, additional protection of YPI is possible. Using a varnish or lamination will further protect the final product.

Prior to actual production, please conduct tests to ensure product suitability for final application.

AVAILABLE GRADES

GRADE	THICKNESS Microns	GRAMMAGE g/m ²	SIZE cm	PACKAGING per ream
YPI 150	150	115,5	46 × 32, 52 × 72	250 sheets
